

TRINITY RIVER Audubon CENTER

\$8/Bag

Give the gift of fun, and lasting memories!

A great follow up to your student's Trinity River Audubon Center field trip is one our signature souvenir bags. With all the nature packed into such a short period it doesn't allow much time to visit the nature store. Bags are given to teachers to distribute at the end of the field trip preventing children from losing money or goodies.

Each souvenir bag contains:

- A premium, drawstring backpack w/ reinforced corners
- A reusable, TRAC logo water bottle
- One fun toy or Cricket Lick-it
