**IF USING A BIG THOUGHT VOUCHER FOR YOUR PROGRAM, REFER TO THE NEXT PAGE.**

All cancellations, headcount changes, modifications, and date change requests must be submitted in writing to trac@audubon.org.

- With the exception of certain school districts that do not allow for pre-payment of programs, payment is due in full prior to services being rendered, up to the morning of the program (unless otherwise stated on your invoice). An invoice will be sent with your booking confirmation. If your district/school does not permit pre-payment, you must contact us for payment arrangements.
- Failure to timely submit payment without prior arrangements may result in cancellation of your program by Audubon. If your group arrives for the program and payment has not been received, or is not provided upon arrival, Audubon reserves the right to deny services. However, payment will remain due in full under the cancellation policy.
- Cancellations are accepted when sent in writing to trac@audubon.org no less than 14 days prior to your program date. If a cancellation request is received less than 14 days prior to the program date, or if students fail to appear the date of the program, full payment for the program will be due no later than the originally scheduled date of the program.
- Date changes can be made once per booking if requested at least 14 days prior to the program date. If we are unable to agree on a substitute date, or if the date change request is received within the 14 days prior to the program date, the cancellation policy above applies. *Date changes cannot be used to avoid a cancellation fee.*
  - Any subsequent date change requests, after the first, will require payment of an additional $100 administrative fee per change.
- Modifications to headcount must be submitted to trac@audubon.org. We reserve the right to deny a request to increase headcount based on staffing. When an increase to student headcount is permitted less than 14 days prior to the program date, or if students in excess of the headcount are present the day of the program, the extra students will be charged at double the per student rate and are not guaranteed supplies and equipment for the day’s activities.
- Students and chaperones will be divided into the appropriate number of groups upon arrival. Group size will be based on actual student attendance and Audubon educator availability.

**INCLEMENT WEATHER POLICY**

Trinity River Audubon Center follows the Dallas Independent School District inclement weather closings and delays. Programs are considered cancelled in the event of an inclement weather closing or delay by Dallas Independent School District, or a closing or delay by the district booking the program.

- Never assume that your program has been cancelled.
- We hold our programs rain or shine, and we cancel only when conditions are unsafe for travel. Students and chaperones should always come prepared for the possibility of spending time outdoors. If a rainy day suddenly becomes sunny, we may take advantage of the break in the weather.
  - If you have booked a Guided Hike, we will attempt to communicate with the primary contact as soon as possible if the weather forecast requires that we consider cancelling or postponing the program.
- If Audubon chooses to cancel a scheduled program, we will attempt to reschedule. If we are unable to coordinate another date, a full refund will be issued. We will call the phone number for the primary contact as soon as possible.
